

# PROPHETIC EVENTS FROM 1996 ONWARDS

**Article by Brian H. Butler** B.A., D.O., F.A.S.K.

These notes, composed from 2013 on, are based on taped lectures given between 1977 and 1997 by Dr. Ernest L. Martin, Ph.D., formerly the Head of Theology for the Worldwide Church of God; he resigned in January 1974 because of his unresolved doctrinal issues with the administration. Sadly Dr. Martin died in January 2002, a great loss to the world and to those who seek Biblical truth.

The ministers of churchianity lie to their flocks in every way possible.

Whatever God says to do, the ministers and their flocks do not do,  
and what God says do not do, - they do!!

The history of the whole of mankind starting with Adam and Eve, then Israel, and also the Jews as a separate people, is one of kidding themselves that they are worshipping the One True God, when they are doing no such thing, but actually the very opposite.

The Bible records the fact from Genesis to Revelation that they have consistently adopted the practices of the pagans, and the heathen worship of idols, sticks, stones, the stars, or of anything that took their fancy, almost within minutes of God performing incredible miracles on their behalf.

People think that they are worshipping the True God in their services, their study and their prayers, but nothing could be further from the truth, sad though that is.

Throughout mankind's history, God has stopped the ears of the people, and blinded their eyes so that they cannot understand the His words in the Bible. This might seem strange, but it is the way God is working with humans, who He loves beyond understanding. We need to exercise faith that He knows what He is doing!!

The only people who do understand are those in whose minds God has turned a 'switch', so that they can appreciate that the Bible is actually His inspired Word, and for them to be able to understand any of the truths it contains.

Most 'Christians' do not have the slightest clue as to what the Bible is saying in reality. If they did, they would not do the opposite of what the God they say are worshipping says in His book of instruction and and guidance for humans.

B side

God proves Himself by inspiring his prophets to write down prophetic statements concerning future events, and then bringing them to pass exactly, to the day, on schedule. He has been doing this from the beginning of Creation. Since that time, he has given some prophecies that take place in the life of an individual, and then others that are thousands of years in advance.

The number one prophecies concern Jesus Christ, born on the Day of Trumpets, All those who have identified with Christ in this life, and are part of Him, will also on the Day of Trumpets be changed at the first resurrection and will join Him and meet Him in the air.

Nebulous appearing prophecies will evaporate soon, as Christ reveals very plainly and clearly chronological and geographical which will be convincing and convicting, and this is just ahead of us now. This is a proof of God, that He will bring them to pass.

Most Christians, have no real conviction that prophesied events will occur, and are vague about everything they believe about God, because He has left mankind to carry on in their own sweet way.

God has turned a screw in some people's minds to enable them to understand the Holy Scriptures God's Word and that the Bible is .  
Sometimes the most unlike people like me!

Zechariah 12:10 God is going to open the minds of the people in Israel. The Muslims say they are not an idolatrous, but they bow five times a day towards where a meteorite fell on the earth centuries before Mohammed came on the scene, worshipping a heavenly event.

Xmas. Millions of "Christians" embrace the same pagan practices. They take a tree, deck it out with silver and gold and lights, and have learned the way of the heathen, and have no idea how offensive this idolatry is to their Creator.

women weeping for Tammuz which we have turned into Lent these days.  
Ezekiel 8:

Ezekiel 8:13 He said also unto me, Turn thee yet again, and thou shalt see greater abominations that they do.

14 Then he brought me to the door of the gate of the Lord's house which was toward the north; and, behold, there sat women weeping for Tammuz.  
15 Then said he unto me, Hast thou seen this, O son of man? turn thee yet again, and thou shalt see greater abominations than these.

Right there where the God's House, the Temple, they were practicing pagan rites, and they still do to this day.

16 And he brought me into the inner court of the Lord's house, and, behold, at the door of the temple of the Lord, between the porch and the altar, were about five and twenty men, with their backs toward the temple of the Lord, and their faces toward the east; and they worshipped the sun toward the east. (Easterwards!)

People know what Estrogen is, it is the female sex hormone, called that because Oestra was the sex goddess of the pagans. Worshipping the Sun instead of worshipping the Creator of the Sun, but they kid themselves that they are worshipping God, but He says do NOT combine the ways of the heather with worshipping me.

17 Then he said unto me, Hast thou seen this, O son of man? Is it a light thing to the house of Judah that they commit the abominations which they commit here? for *they have filled the land with violence*, and have returned to provoke me to anger: and, lo, they put the branch to their nose.

The hostilities in Israel are very severe today. In Jerusalem and Judea, events are going to occur that have been in the Bible all the time. Those who live in Israel are incredibly ignorant of what the Bible teaches about their land. If people understood what was all foretold in the Scriptures, there would not be people fighting their brothers over geographical areas in Palestine which are totally irrelevant.

18 Therefore will I also deal in fury: mine eye shall not spare, neither will I have pity: and though they cry in mine ears with a loud voice, yet will I not hear them.

All over the so-called Christian countries and wherever people practice what they think is Christianity, they have Easter Sunrise services, an abomination, and the very thing God has said not to do they do.

Everything to do with idolatry is from fallen disgraced angels, that are lying spirits, who have taught people the practices of paganism.

The doctrine of the immortality of the soul is totally a pagan doctrine. It is NONSENSE to say that the person does not die, but goes to heaven. Satan started that lie and persuaded Adam and Eve that it was true. My mother, father, Paul, Peter, David, are all dead in their graves, they are not dead and yet alive for ever more in heaven.

Long haired angels are disgraced angels, and pictures of Jesus with long hair are just plain wrong, He did not have long hair. Paul says it is a shame for a man to have long hair. God and Christ have short hair, as that is one indication of their rank!

The Emperor Constantine, supposedly a revered Christian, put Helios the Sun god on one side of his coins and the cross on the other trying to combine paganism with Christianity to keep his people happy.

Christ was crucified on the East side of the Temple, but Christians bow down and worship in completely the wrong places!

Jews go down to the Western wall of what they think was Solomon's Temple and pray towards Christ's tomb without realizing it.

People going to Israel in December are astonished to see Xmas trees, a baby in a manger, and all the trappings of Christmas in all the Jewish hotels! The Jews reject Christ, but are quite happy to woo the public with pagan displays of Saturnalia!

Mankind has even changed the day from God's way of beginning at night, and say it begins at sunrise, which is not what God says, "the evening and the morning were the first day"!

Mankind just seems to want to subvert His teachings, living out our 60-70 years, in ignorance of the fact that we have gone our own way.

The Bible is going to be put back into its original order, and people will think it is the strangest Bible they have ever seem.

The chronology and geography, and order of the Bible has been lost, muddled up by mankind, so we cannot see the wonder of the Book.

Isaiah suffering find out that Jesus was not a robust, handsome, or the Adonis of the ancient world, he was a tender plant, despised of men,

How to have the key to grow in grace and knowledge, whatever you find the professionals of this world which are devoted entirely to theology, the things they hold sacrosanct, it will come down to the fact that anything they believe is the exact opposite of what God teaches us in His Word.

What we need to look for is the restoration of the Gospel, and that is coming, without any doubt Isaiah 29 they are drunken but not with wine, they stagger but not with strong drink, closed eyes, stopped ears, words of a Book that is sealed. They, the most educated people can see the nouns, the verbs, the auxiliary words, and they may know the grammar better than we do, but they do not know what it means!

Give this Book to those who are not learned, draw near me with their lips, a quarter of the people in the world are Christians, precepts of men, wisdom of wise men shall perish, clever they are,, but ignorant hide their counsel from the Lord, theis turning of things upside down. Geographical, upside down, chronologically upside down, the soul that sins shall die, they say no we will live forever in heaven. Eyes of the blind shall see.

Get ready for 1998, 2000 years ago, God organized the heavens to put on an incredible show for the advent of the baby Christ.
