ELM FEB 1998  
THE FOURTH RECORDING MADE BY Dr. MARTIN ON THE PSALMS**

**Article by Brian H. Butler B.A., D.O., F.A.S.K.**

**Class of '64 Graduate & former Faculty Member of Ambassador College, England.**

These notes, composed from 2013 on, are based on taped lectures given between 1977 and 1997 by Dr. Ernest L. Martin, Ph.D., formerly the Head of Theology for the Worldwide Church of God; he resigned in January 1974 because of his unresolved doctrinal issues with the administration. Sadly Dr. Martin died in January 2002, a great loss to the world and to those who seek Biblical truth.

There are keys when grouping geographically, order and purpose are being unveiled now more and more.

The Temple Jerusalem forgot.

Scales removed from eyes and ears unstopped.

Law read in Temple also Sabbath by Sabbath.

Pamphylia/Turkey rulers of synagogue after reading law, discussion with the group. Prophetic section

Temple had Psalms performed, read, and sung, but not in synagogues.

The whole law was covered in 3 years, Law and Prophets, then repeated for another 3 years, then the 7<sup>th</sup> year was a Sabbatical year when the whole law was read in one year. People knew what to expect.

John 4:35 Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. 36 And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together. 37 And herein is that saying true, One soweth, and another reapeth. 38 I sent you to reap that whereon ye bestowed no labour: other men laboured, and ye are entered into their labours.

So why were there five divisions? To enhance

Put into Sabbatical cycle will enable more understanding.

70 years is a generation, the land was left idle because land Sabbath had not been observed for more than 400 years.

69 weeks, the last has not happened yet, time time and half a time, 1260 days 42 months under Satan and the Antichrist.

Scripture has coherent symmetry.

New Temple and priesthood and Levitical singers which will have these liturgical works for 3½ years then this will be cut off in one day in hot summer, Temple burned quickly neb 60 years before Media will show it all as it happens, a Sabbatical period we will understand more through Psalms.

David, Asaph, Solomon Moses Hezekiah and others. Ezra put them in order. Prophecies will even mention some people by name for the end time.

We who have the Holy Spirit should work together. Special keys which will help understanding.

One essential key is in Isaiah 38:1-20 This is a Psalm.

Sun went backwards 10° and Hezekiah lived another 15 years. He wrote 10 Psalms which give insights politically. Second Key: We will sing our songs in the Temple with stringed instruments, to teach his children (us!).

What is the sign, survival, Assyrians coming down taking 10 tribes but Judah held out – so Hezekiah could live in peace and wealth for his extended life, another 15 years.

1<sup>st</sup> Key. Who wrote the Psalms Bullinger.

If a Psalm writer is identified it is at the beginning. The type of music is given at the end. Why? The books of the Bible were not separated as they are now in the KJV and other versions or made into books but scrolls, and when they are opened, the end comes first.

Our current music notation gives the key signature, beats to the bar, the pace and other details at the beginning. Whenever you get musical information at the beginning of a Psalm, like Psalm 4 it actually belongs to the end of the previous Psalm 3. The translators mixed it up because they did not know the format.

Psalm 1 & 2 nothing. Psalm 3 is a Psalm of David when he was fleeing from his son written on the Mount of Olives. When Psalms were written is important to get the context and the history.

Psalms 7-10 are an acrostic form except 9 and 10 when 10 letters are left out. Who is the "he" = the beast.
