

A HEART & MIND AT A TIME TO SAVE THOUSANDS OF INNOCENT AMERICANS FROM PRISON

"There is no more cruel tyranny than that which is exercised under cover of law, & with the colors of justice" U.S. V. JANNOITIE 673 F.2d 578, 614.

"If the government, police, & prosecutors could always be trusted to do the right thing, there would never have been a need for a bill of rights" United States v. The Central District of California 858 F.2d 534 (9th Cir. 1988)

"Sed quis custodient ipsus custodes" (But...who is to guard the guards themselves) by Decimus Junius Juvenal, 2000 years ago, cited in Sect. & Law Enforcement v. CARRY 737 F.2d 187, 192 (2d Cir. 1984)

"It is easier to find false witnesses against the civilian than anyone willing to speak the truth against the interest & honor of the guards!" Juvenal

ONE HEART AT A TIME

READ:
Philemon 1:12-22

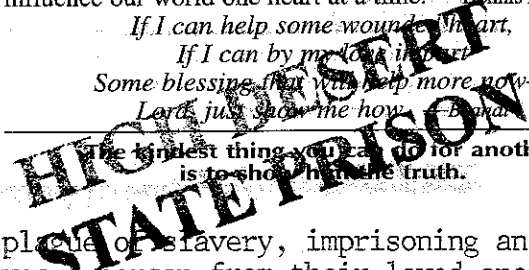

... no longer as a slave but more than a slave—a beloved brother.
—Philemon 1:16

THE BIBLE IN ONE YEAR:
■ Isaiah 62-64
■ 1 Timothy 1

... a while for this purpose, that you might receive him forever, no longer as a slave but more than a slave—a beloved brother" (vv.15-16). Although we don't know if Onesimus was set free from slavery, his new faith in Jesus had changed his relationship with his Christian master. He was now also a brother in Christ. Paul was influencing his world one heart at a time.

By the transforming power of the gospel, people and situations can change. Like Woolman and like Paul, let's seek to influence our world one heart at a time. —Dennis Fisher

*If I can help some wounded heart,
If I can by my love impart
Some blessing that will help more now—
Lord, just show me how.* —Benedict
*The kindest thing you can do for another
is to show them the truth.*

Although the above is about the terrible plague of slavery, imprisoning an innocent person also strips human dignity. It removes a person from their loved ones & deprives them of the ability to provide the basic necessities for their families who suffer too.

There are 20,000+ completely innocent people in California jails & prisons, over a quarter million nationwide. Most of them are "in" because of police & prosecutorial misconduct which often rises to the level of felony crimes by law enforcement.

The only way to stem the rising tide of innocent people being convicted is for you to lobby your political representatives repeatedly to make police & prosecutors accountable, to punish them with prison for their wrongdoing. Are you aware that now, police & prosecutors almost never even get slapped on the wrist for crimes like lying in Court, threatening witnesses, planting evidence, etc; which would put us in prison.

We've not found even one prosecutor who has gone to prison for committing even serious crimes to convict an innocent person. Yet tens of thousands of legal cases are published confirming they commit these crimes regularly, with impunity. Google it!

The enclosed illustrates some of the tricks they use to convict innocent people, far more often than you would imagine. Please spare terrible suffering for many others by forwarding the enclosed, or portions of it, to your political representatives, with your comments added, "Police & prosecutors must be held accountable & go to prison when they lie & cheat in Court, particularly to convict an innocent person."
